

Linoleum Printmaking Workshop

With Coco Berkman

Materials List

For this workshop, we'll be working on a 12" x 12" format. Please bring a drawing that measures 12" x 12" or smaller.

Instructor will provide linoleum, paper and ink for a fee of \$35. She will also bring carving tools for students to use.

People can bring their own carving tools if they wish. Good carving tools are a big investment and I'd like to encourage people to purchase some after they get a taste of using my good tools.
